Why work with a company that:

- Wants you to mail them your gold & wait 2 weeks for payment?
- Has no buying history or in-experienced buyers?
- Does not clearly specify what they are paying for each item?
- Makes you buy something in trade to get a fair price?
- Only wants to buy the "good stuff," not your broken or odd items?
- Doesn't understand coins or the difference between metal value and collector value?
- Will not pay for diamonds or gemstones of any size?

We have been the area's leading experts in Collector Coins, Gold Silver & Platinum since 1964
